TL at home

TL at Home has proudly been a Kline Family tradition, with deep roots in the Hudson Valley, for almost 50 years. Family is the very cornerstone of who we are as a woman-founded, woman-owned, and (mostly) women-operated business. Our tradition is anchored in our approach to customer service.

Always top of mind, our mission is to make your experience with TL outstanding in every way. Each item in our line is crafted with superior attention to detail and is “Made with Love,” from our family to yours. Uniquely TL, our concept of layering; offering appealing textures paired with thoughtful coloration and a choice for pattern, with the option to customize certain specifications allows you the flexibility to assemble your own personal collection of linens that meet the rigorous demands of a busy lifestyle.

At TL, we start with the best fibers we can find. Our collections involve using innovative processes with a value on keeping our standards high.

MADE TO ORDER

The heart and soul of TL at Home and where our tradition was born. From our array of fashion fabrics, we cut and sew duvet covers, shams, and decorative pillows. Making one piece at a time, to your specifications. Our professional staff of sewists has perfected the process. Unique, timeless, and always, made with love.

IMPORTED BLANKETS + COVERLETS

Spanning the last 20+ years, our imported line has grown and evolved in collaboration with our partner mills in Portugal. We value these longtime relationships, and the time-honored traditions Portuguese artisans bring to their craft. Our products balance heirloom quality with easy-care attributes. Stocking our imports in Hudson, NY allows for shipping within 48 hours from our warehouse.

IMPORTED MADE TO ORDER LUXURY SHEETING

The best of both worlds, our exclusive sheeting collections are made to order in Portugal. We start with the finest fabrics in percale or sateen, then cut to size, and finally apply hand-crafted trim applications for a stunning effect. There is nothing else in the marketplace that compares in craft and quality to what we offer in luxury sheeting.
